WINEMAKER | Jeff Ames

From the rolling hills of Alabama to the vineyards of Napa, Jeff's path to becoming one of Napa Valley's most acclaimed winemakers has been anything but ordinary. After earning a history degree from the University of Alabama, Jeff's interest in wine sparked while working at a wine shop in Memphis, which ignited a passion that would shape the rest of his career. After working a harvest in Oregon, Jeff moved to Napa and became Assistant Winemaker to Thomas Rivers

Brown. While working with Thomas, Jeff worked on projects like Schrader, Outpost, TOR, and Maybach before taking the reins as Head Winemaker at TOR in 2003. Today, in addition to making critically acclaimed wines for TOR, Jeff is the Winemaker who handcrafts Anthem Winery's highly rated, ultra-premium wines.
